

### Empower Employees to Drive Benefit Engagement

Strive builds custom company apps, AI assistants, and benefit microsities helping employees discover, understand and actually use their benefits. Because empowered employees are the ones who drive benefit engagement, Strive turns complexity into clarity through centralized access, intelligent communication, and engaging challenges and rewards that inspire real behavior change.

Features			Pricing
<p><b>MAGIS+ App &amp; Benefits Guide Microsite</b>                      White-Labeled Company Benefits App included with over \$4,999 ARR.
