

Howden meets companies where they are. Whether you're taking your first step or ready to accelerate, Howden Connect grows with you every step of the way.

WALK into digital benefits with our **Benefits Microsite & AI Benefits Assistant**, Howie —making it easy to launch, educate, and engage employees quickly.

Benefits Microsite

A Benefits Microsite and Howie, your AI Benefits Assistant – are simple, powerful ways for companies to launch employee benefits without complexity, giving teams a single, easy-to-access hub for information and engagement.

- Centralizes all benefit information in one branded, easy-to-navigate location.
- Quick to launch with minimal setup required from HR teams.
- Improves employee understanding and utilization of benefits through clear, organized content.

As organizations grow, they can **RUN** into digital benefits with a fully **White-Labeled Company Benefits App**, delivering a seamless, personalized, and branded experience—all in one place.
